BUY-A-BRICK

In Support of the Construction of the Rotary Centennial Fountain

To commemorate its 100th Anniversary, the Allentown Rotary Club (ARC) will construct a Rotary-themed Centennial Fountain on a 22'x20' site located on the southeast side of Center Square in downtown Allentown. The Club is raising ALL of the tax-deductible funds required to build the fountain. The City will assume ownership upon completion of the project, which is expected in June, 2015. The engraved bricks and stones which are part of the fountain will become permanent parts of the Rotary Plaza, and will remain property of ARC in perpetuity. The ARC reserves the right to deny any brick purchase which is deemed inappropriate. Engraved bricks will continue to be sold after completion of the project to raise funds for ongoing community service projects undertaken by the Allentown Rotary Club.
